Essential:-

- (i) Bachelor in Agriculture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Agronomy, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Soil Science & Agricultural Chemistry**Essential:-**

- (i) Bachelor in Agriculture / Science with Chemistry as core subject, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Soil Science & Agricultural Chemistry, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.
- (v) Minimum score as stipulated in the Academic Performance Indicator (API) based Performance Based Appraisal System (PBAS) developed by RVSKVV as available in the University website (www.rvskvv.net).

Plant Breeding and Genetics

Essential:-

- (i) Bachelor in Agriculture / Science with Botany as core subject, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Plant Breeding and Genetics / Genetics and Plant Breeding, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.
- (v) Minimum score as stipulated in the Academic Performance Indicator (API) based Performance Based Appraisal System (PBAS) developed by RVSKVV as available in the University website (www.rvskvv.net).

Entomology

Essential:-

- (i) Bachelor's in Agriculture / Science, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Entomology, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.
- (v) Minimum score as stipulated in the Academic Performance Indicator (API) based Performance Based Appraisal System (PBAS) developed by RVSKVV as available in the University website (www.rvskvv.net).

Essential:-

Agricultural Engineering

- (i) B.Tech. or B.E. degree in Agricultural Engineering, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Tech. or M.E. degree in Agricultural Engineering with specialization in Soil & Water Engineering / Post Harvest Technology / Farm Machinery and Power Engineering, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Plant Biotechnology

- (i) Bachelor's in Agriculture / Science, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Plant Biotechnology having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Livestock Production & Management (LPM)

Essential:-

- (i) B.V.Sc., having minimum 50% Marks or equivalent OGPA.
- (ii) M.V.Sc. with specialization in Livestock Production & Management / A.H. & Dairying, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-I and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Horticulture (Vegetable Science)

Essential:-

- (i) Bachelor's in Agriculture/ Horticulture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. Ag. (Horticulture) with specialization in Vegetable Science / M.Sc. Horticulture (Vegetable Science), having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in Vegetable Science done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-I and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

(Plantation, Spices, Medicinal & Aromatic crops)

- (i) Bachelor's in Agriculture / Horticulture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. Ag. (Horticulture) with specialization in Plantation, Spices, Medicinal & Aromatic crops / M.Sc. Horticulture (Plantation, Spices, Medicinal & Aromatic crops), having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in Plantation, Spices, Medicinal & Aromatic crops done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

English

- (i) Bachelor degree with English as a core subject with minimum 50% marks or an equivalent grade in the point scale from a recognized Indian university or from an accredited foreign university.
- (ii) Master degree in English with minimum 55% marks from a recognized Indian university or from an accredited foreign university
- (iii) Besides fulfilling the above qualifications candidates must have cleared the National Eligibility Test (NET) conducted by UGC/CSIR/ or similar test accredited by the UGC like SLET/NET.
- (iv) Notwithstanding anything contained in (iii) candidates who are or have been awarded Ph.D. degree in accordance with the University Grant Commission (Minimum standards and Procedure for Award of PhD degree) regulations 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 shall be exempted from the requirement of the minimum eligibility condition of NET/SLET/SET for requirement and appointment of Assistant Professor or equivalent positions in Universities / Colleges / Institutions.
- v) NET/SLET/SET shall also not be required for such Masters Programmes in disciplines for which NET/SLET/SET is not conducted.

Essential:-

:(Floriculture & Landscape

- (i) Bachelor's in Agriculture/ Horticulture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. Ag. (Horticulture) with specialization in Floriculture & Landscape Architecture / M.Sc. Horticulture (Floriculture & Landscape Architecture), having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in Floriculture & Landscape Architecture done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Horticulture (Fruit Science)

- (i) Bachelor's in Agriculture/ Horticulture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. Ag. (Horticulture) with specialization in Fruit Science / M.Sc. Horticulture (Fruit Science), having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in Fruit Science done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Agricultural Extension

- (i) Bachelor's in Agriculture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Extension Education or relevant to the discipline of Agricultural Extension having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Agricultural Economics

- (i) Bachelor's in Agriculture, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Agricultural Economics / Agricultural Economics & Farm Management, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Plant Pathology

- (i) Bachelor's in Agriculture / Science, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Plant Pathology, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Essential:-

Botany & Plant Physiology

- (i) Bachelor in Agriculture / Science with Botany as core subject, having minimum 50% Marks or equivalent OGPA.
- (ii) M.Sc. (Ag.) in Botany & Crop Physiology / Crop Physiology / Herbal Physiology / Plant Physiology, having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D. before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.

Librarian

Qualification: Essential:

- (i) Bachelor degree in Information Science / Library Science / Documentation with minimum 50% marks from a recognized Indian university or from an accredited foreign university.
- (ii) A Master's Degree in Library Science / Information Science / Documentation with minimum 55% marks or an equivalent grade in a point scale from a recognized Indian university or from an accredited foreign university.
- (iii) Must have cleared in the National Eligibility Test conducted for the purpose by the UGC or any other agency approved by the UGC.
- (iv) However candidates who are or have been awarded Ph.D. degree in accordance with the University Grant Commission (Minimum standards and procedures for award of Ph.D. Degree) regulations 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 shall be exempted from NET/SLET/SET for recruitment.

Qualification :

Essential :

- (i) Bachelor degree in Mathematics / Statistics or Bachelor in Science with Statistics or Mathematics as core subject or Bachelor of Science in Agriculture/Horticulture/Forestry/Agro-forestry/B.V.Sc. & A.H. having minimum 50% Marks or equivalent OGPA.
- (ii) Master's degree in Statistics/Agriculture Statistics having minimum 55% Marks or equivalent OGPA.
- (iii) Passed National Eligibility Test conducted by the ICAR/UGC/CSIR or some other agency approved by UGC, along with one publication in NAAS rated refereed journal for all the disciplines in which NET is conducted.
- (iv) Essentiality of NET can be waived off for the candidates holding Ph.D. degree in concerned subject done with course work as prescribed by the UGC regulation 2009 subject to the condition of producing a NET exemption certificate as mentioned in Annexure-1 and having two full length publications having NAAS rating not less than 4. The candidates with Ph.D. degree without course work registered for/completed Ph.D. will not get exemption from NET. However, for those who registered for Ph.D. before 2009 but completed their degrees after 2009 and those who completed their Ph.D., before 2009 without course work must have two full length research papers in Journals having NAAS rating of 4 or above, the NET shall not be essential. For NAAS rating the rating for the year of publication in question shall be considered.
